It is our pleasure to invite You on **15th International Conference of SCENAR-Therapists** which will take place from 28.09.-04.10.2009 in Dubrovnik, Croatia.

Surrounded by medieval city, a treasury of historical cultural monuments you will find everything about therapy with SCENAR device, a new medium for treatment of many diseases.

International Conference of SCENAR-Therapists takes place every time in different country, so this year it is Croatia who has the honour to host prof. Alexander Revenko, Russian scientists who invented original device and principle of application, as well as General director of RITM OKB ZAO, Jakov Grinberg, the producer of the device. As lecturers there will be doctors from all over the world who apply Scenar therapy in treatment of their patients.

---

---

City of Dubrovnik is 1500 years old. It has a fantastic history, and since it was an independent city as a state it had no special army, but instead of that people from Dubrovnik built a whole city as a one big fort. So, in some places wall is 9 meters wide. Because of that special fort look and because of that look which has never changed the old town is under UNESCO protection as a historical/national monument.

Dubrovnik came in top 10 places in the world to see. This city whole year is full of tourists, irrespective of whether it is winter or summer.

Since in summer time it is very hot in Dubrovnik, 15th International SCENAR conference will be in early autumn. At that time the weather is almost perfect. It is approximately 22-25°C and it is usually sunny. Dubrovnik has more than 250 sunny days per year.

Accommodation is organized at Hotel Neptun.

Hotel Neptun is a four star hotel in Dubrovnik, it is right next to the sea and about four kilometers away from the very popular old town.

Prices in Hotel Neptun for 15th International SCENAR conference:

Single room - EUR 82,00 per room

Double room - EUR 108,00 per room

Luxury suite - EUR 216,00 per day (four persons)
