

2017 International SCENAR Conference, celebrating 10 years of RITM SCENAR in Australia!

3rd - 6th of March 2017, Sydney, Australia

CONFERENCE PROGRAM

RITM Australia is proud to host this significant event whilst celebrating its 10 Anniversary and welcomes you to 2017 International SCENAR Conference!

An event not to be missed – learn from the developers of SCENAR technology and the most prominent experts in SCENAR in the world, meet with colleagues and of course have fun at the entertaining events we have prepared for you. Additionally, expect great conference product specials, awards and surprises!

This year we have chosen to present a very rich program with speakers from Russia, Canada, New Zealand, Japan and Australia. Practical workshops, lectures and reports will be presented in the main Conference room as well as in the breakout room. The whole Conference will be video recorded and all delegates will be provided with access to the video recordings after the Conference. So do not worry if you can't attend a workshop, you will be able to watch it later at your leisure.
